

Framed Mixed Media Collages (Alphabetical List)

Each collage is unique, and made from a variety of hand-cut and -assembled materials.

All Mixed Media Collages are sold framed. (With the exception of *Equilibrium*, an unframed work on stretched canvas.) Mats and mounts are acid-free; frames are black metal. All adhesive materials are archival/conservation-quality, to ensure that the work will last for generations without fading or discoloration.

**Prices shown do not include shipping charges of approximately 30% additional, depending on shipping method and speed. Free delivery available in select geographic areas. Please [contact me](#) for shipping information.*
